## BODY TREATMENT HEATING INFRARED BLANKET

Code: 6459

Warming the body through an electric thermal blanket provides a sauna effect which affects the entire body - speeds up circulation, stimulates metabolism and cell regeneration.

### TREATMENTS

- > FULL BODY
- > LEGS
- > STOMACH
- > CHEST AREA AND ARMS

Heating affects the fatty deposits by converting them into free fatty acids for the body to absorb and eliminate naturally.

### THERMAL BLANKET EFFECTS

- > DEEP HEATING OF THE SKIN
- > INTERCELLULAR FLUID DRAINAGE
- > DECOMPOSITION OF FAT CELLS
- > CLEANSING BLOOD CIRCULATION AND RELEASING IT FROM TOXINS
- > INCREASING THE IMMUNITY OF THE BODY
- > ACCELERATES CIRCULATION

### Technical characteristics

Product name: HEATING INFRARED BLANKET  
 Code: 6459  
 Voltage: 220-240 V AC, 50/60 Hz  
 Device power: 480 W  
 Blanket power: 3 x 120 W  
 Number of segments of blanket: 3  
 Temperature control: 20-55°C  
 Digital timer: max 60 minutes  
 Blanket material: polyurethane  
 Dimensions of device (LxWxH): 290x250x130 mm  
 Dimensions of blanket (LxW): 210x80 cm  
 Device weight: 6,4 kg  
 Blanket weight: 5,8 kg  
 Packing dimensions: 780x450x265 mm  
 Gross weight: 14,5 kg
